## INTRODUCTION

The period in which we live and graduate from high school offers a privilege for service to any person who is well prepared. May we think of the years spent at Clintwood High School as the period of preparation for the opportunities that lie before us.

Many people deserve our thanks and appreciation. Our parents have had so large a part in making our school years happy ones. You have guided us so we might recognize the worthier things of life. To our Miss Evelyn Yates we are truly grateful for her efficiency, her willingness, and her courtesy.

So to our class, our school, parents, teachers, and friends, we present the Green Knight of 1962.

# *Dedication*

May we, the class of 1962 stand constantly as a symbol of service to the community and to the government because you, Mr. Skeen, dedicated yourself to helping us. You have proved to be not only a great principal and teacher, but also a leader of young people.

# *Guidance*

Mr. Paul W. Skeen . . . Principal

#### Principal's Message to Class of 1962

From the day you entered the eighth grade I have observed the members of the class, and I have been impressed with your attitude and cooperative spirit. I believe that each of you has a real contribution to make to your nation.

While guiding you in the ways of learning, we have endeavored to impart to you the high principles and ideals on which to build a successful life. I recall a telling sentence made by a speaker that I have never forgotten, he said, "Youth should saddle itself with the burden of restraint so that age may never feel the misery of remorse".

May your life be rich in service to God and your fellow-man.

We wish to congratulate both the varsity and the junior varsity basketball teams, their coaches, and the managers. However, our special thanks go to the varsity. This year they won the Lonesome Pine District Championship and represented the district at Pulaski. Hats off to the team and Coach Howard Deel.

O the glory of the winning.
